Voici un catalogue birk's 1926. Je présume que ce livre était produit seulement pour les grands magasins de bijoux canadiens et qu'il est très rare aujourd'hui dans ce temps là. Henry Birk's avait fait imprimer ses textes et images par The Ronalds Company Limited. Si vous pouvez m'aider à trouver de la documentation sur ce livre, vous êtes les bienvenus. Merci beaucoup!!

OUR THIRTY-FIRST YEAR BOOK

IT is a far cry from the quaint four-page leaflet of 1894 to the Birks Year Book you hold in your hands—as far a cry as from the tiny shop of 1879 to the seven great stores that house the institution that is Birks.

Ours has been no overnight growth. We have built, and are building solidly, brick by brick. The policies of the founder—sound quality, fair value and honourable dealing—must be present in every transaction, in the smallest detail of our relations with you.
